

Rick Lussier

Rick is Director of Community Grants with The Winnipeg Foundation, Canada's first community foundation established in 1921. He has been with The Winnipeg Foundation since 1993 (when the Foundation was making annual grants of \$4 million; this year that number reached \$21 million). Rick represents the Foundation on two national organizations: the Social Justice Learning Group of Community Foundations of Canada, and the Canadian Environment Grantmakers' Network (CEGN), of which he was Vice Chair. Previously, he held several management positions with the Province of Manitoba, including Executive Director of Agency Relations, Department of Family Services; and Executive Director of Systems Analysis, Department of Finance. Rick has a Master's degree in Psychology from the University of Manitoba.
