

Tricia Wasney

Tricia Wasney has worked in Winnipeg's art community for many years in various roles of program co-coordinator, project manager, board member, juror, and artist/writer. She holds a Bachelor of Arts degree in Film Studies and a Master of Landscape Architecture degree, both from the University of Manitoba. She was hired by the Winnipeg Arts Council in May 2002 to develop the public art policy that was ultimately adopted by Winnipeg's City Council two years later. In January 2004 she was appointed Manager-Public Art and now oversees a steadily growing public art program that includes art commissions, artist-in-residence projects and a community-based program entitled WITH ART.
